New breakfast menu at Level 122, At.mosphere Lounge, Burj Khalifa

If you dream of starting your day on a high, then the new breakfast menu at At.mosphere is the must visit place to enjoy the most important meal of the day. Select pastries and cheese from the Continental stand before ordering a main course from classic choices such as waffles, French toast, sweet and savoury crepes and omelets. Alternatively, as you take in the chic interior, which is difficult considering the exterior views, allow truffle scrambled eggs and slow cooked beef fillet with organic eggs to tempt you from the signature dish menu\*. An a la carte menu is also available to allow guests to select individual favourites from a wide selection of hot dishes. This new At.mosphere dining occasion will extend a relaxed welcome for all, including children.
